

School Bus RPG

Anthony Willis – Elk Grove Unified School District

Fleet Breakdown

- Total fleet consists of 200 buses
- 10 electric
- 15 CNG buses
- 30 Propane buses

Reasoning for Renewable Propane

- Piloting the options
- LCFS credits
- Drop in fuel
- Accessibility

Transition to RPG

- Very smooth overall
- Had to ask our provider if they could supply us with fuel
- No noticeable change for our drivers
